 Re: COVID-19 Pandemic & Restructuring Summer Camp

After recent conversation, text messages, News briefings, and zoom meetings with Church federal state and local government and health officials, it has been decided that Summer Camp 2020 for the Little Kanawha District will not be an in person setting due to the recent COVID 19 pandemic.

The safety and health being our primary responsibility to the staff volunteers, pastors and youth/campers of our local and surrounding area we must use good judgment.

Summer camp is an annual program that has been the highlight Of many youth and they anticipate the next Summer camp on the last day of camp experience the year before, with that being said as a camper, staff member and director of Crossroads Camp my staff, volunteers and pastors are dedicated to bringing you a virtual camping experience this Summer (e.g. Zoom, FB LIVE, Pre Recorded, and or mailing) To all who return information below by 06/05 2020. Additional details will come via email and the Crossroads Facebook page unless you request "snail" mail only. As The governor releases information on gathering in groups of 25 or more we will update for possible other events I CAMP this year. For sure Mark your calendar for 07/01/2020 for the 75th celebration event.

Thank you for understanding. It was not an easy decision to make. Please pray for our world to be healed.

Sincerely,
 Lisa D. Withee, Crossroads Camping & Retreats & Board Chairman
